AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, KAREN O'NEILL, HAVING BEEN DULY SWORN, DEPOSE AND STATE: I am a United States Postal Inspector, having been so employed since March 2003.

1. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the Postal Inspection Service with investigative responsibility for southwest Ohio, northern Kentucky, and southeast Indiana. Part of my investigative responsibility involves the use of the United States Mail in the transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.
2. Your affiant has become aware that drug traffickers frequently use Express Mail, a business-oriented overnight service offered by the United States Postal Service, to transport narcotics and other dangerous controlled substances, and their proceeds or instrumentalities from the sale of the controlled substances. Your affiant has also become aware that drug traffickers frequently use Priority Mail with delivery confirmation, a 2-3 day service offered by the United States Postal Service. As a result of investigations and successful controlled substance prosecutions where the Mail was used, your affiant has learned of certain characteristics indicative of other Mail items previously identified as containing narcotics or other dangerous controlled substances, their proceeds or instrumentalities from the sale of the controlled substances. Some of these characteristics include, but are not necessarily limited to or used on every occasion, the mailer using different post offices on the same day to send parcels, false or non-existent return address, addressee is not known to receive mail at the listed delivery or sender address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.
3. U.S. Postal Inspectors are aware that the State of California is a source location for controlled substances that are regularly mailed to Ohio and the proceeds from the sales of controlled substances are frequently returned to California via the U.S. Mail. Based on this information, your affiant routinely reviews parcels and conducts postal database checks for inbound and outbound parcels that exhibit characteristics of parcels suspected of containing controlled substances and/or the proceeds from the sale of controlled substances.

4. On or about September 15, 2020, your affiant learned that Priority Mail parcel postal tracking number 9505 5158 6376 0258 4773 08 (SUBJECT PARCEL) addressed to Lars illoken, 310 N Lucerne Blvd, Los Angeles, CA 90004 (SUBJECT ADDRESS) with a return address of Austin Abrams, 620 brill dr, Oxford, OH 45056 was mailed from the Oxford Post Office. The SUBJECT PARCEL had already processing through a postal facility in Cincinnati, Ohio and was enroute to the office of delivery in Los Angeles, California.

5. Your affiant did a check in CLEAR regarding the SUBJECT ADDRESS. CLEAR is a database that is used by law enforcement as a tool to identify person/business and address information. According to CLEAR, the name "Illoken" is not associated with 310 N Lucerne Blvd, Los Angeles, CA 90004.

6. Your affiant knows from a check in GOOGLE that a \$3.5 million dollar home is located at the SUBJECT ADDRESS and is currently for sale.

7. Your affiant did a check in CLEAR regarding the return address. According to CLEAR, the name "Abrams" is not associated with 620 Brill Dr, Oxford, OH 45056.

8. Your affiant contacted the office of delivery regarding the SUBJECT PARCEL. Your affiant requested to be contacted when the parcel arrived at their location.

9. On or about September 16, 2020, your affiant obtained a federal search warrant for a parcel going to the SUBJECT ADDRESS. That parcel was found to contain \$8,000.00 in U.S. currency and is being seized by the government.

9. Your affiant was contacted by the office of delivery regarding the SUBJECT PARCEL. Your affiant requested the parcel be sent to her location for further investigation.

10. On or about September 17, 2020, your affiant received the SUBJECT PARCEL.

11. Cincinnati Police Department Specialist Mike Harper was contacted to arrange for a narcotic canine to check the SUBJECT PARCEL. Specialist Harper responded to the Postal Inspection Service office, Cincinnati, Ohio where the SUBJECT PARCEL was placed in a controlled area and presented to narcotic canine, "Cairo". "Cairo" alerted positively to the presence or odor of a controlled substance or their proceeds or instrumentalities upon the SUBJECT PARCEL. Your affiant knows that Specialist Harper and narcotic canine "Cairo" train regularly and are certified annually through the Ohio Peace Officer Training Academy. Your affiant has presented multiple parcels to Specialist Harper and canine "Cairo" which has resulted in successful seizures of a quantity of a narcotic or other dangerous controlled

substance and their proceeds or instrumentalities therefore your affiant considers them to be reliable. Attached herewith, and made part hereof by reference, is a photocopy of the narcotic canine handler's record of examination.

12. The SUBJECT PARCEL is further identified as follows: a U.S. Postal Service Priority Mail Padded Flat Rate envelope 9 1/2" x 12 1/2" in size, bearing tracking number 9505 5158 6376 0258 4773 08, weighing 9.4 ounces, postmarked September 14, 2020; see address information below:

**Sender:** Austin Abrams  
620 brill dr  
Oxford, OH 45056

**Addressee:** Lars illoken  
310 N Lucerne Blvd  
Los Angeles, CA 90004

13. This information along with the positive alert of narcotic canine "Cairo" is indicative of a drug package or its proceeds.

14. Based on the information contained herein, your affiant believes that contained in the SUBJECT PARCEL is a quantity of a narcotic or other dangerous controlled substance, their proceeds or instrumentalities.

15. The SUBJECT PARCEL is being secured at the USPIS Field Office, Cincinnati, Ohio pending further investigation.

Therefore, a search warrant to open the SUBJECT PARCEL is requested.

Further, your affiant sayeth naught.
